CMO Welcome

Greetings Park Church members,

Emerging out of the Pandemic this event will showcase ministries at The Park Church for your consideration to serve alongside. The efforts and ongoing impact each of these ministries have are expanding Kingdom impact in and beyond Charlotte. As Bishop stated in his appeal to attend; everyone has skills, giftings and talent that is of value at your workplace and perhaps also in serving opportunities within the church. We invite you to be Activated and Engage in opportunities in each of the 3 Segments the Ministry Fair provides.

Each breakout session will provide overviews and testimonies of how volunteers serve, insights and opportunities within the ministry and time for Questions & Answers. I'm looking forward to my session on New and Emerging Ministries — a session where some of you may come with new ministry ideas, concepts and suggestions to pursue inside and outside the church. Again, welcome.

Sincerely,

The Watchmen Ministry is a vital component to the on premises gatherings at The Park Church Service and Events. As “doorkeepers” and Watchmen both men and women in this role help to ensure attendees feel safe, are vigilant to be observant and have attention to detail. Many who serve in this ministry do so out of a call to be watchful under the training and guidance of the Director of Security. Currently this ministry has openings and has active needs as aligned to events and gatherings both at the Church and Expo locations.

In this session we’ll discuss and highlight what happens, how we provide training, and hear about typical and not-typical incidents or interactions that have come up so you’ll have a perspective of how we serve.

This ministry provides transportation to Park Church members, guests and when travel is needed to bring a team of people somewhere for ministry purposes. Added avenues for drivers include; PLUS Ministry support to serve in pick up’s and drop offs of members with Disabilities on Sundays, picking up college students from area campuses as well as MT 25:40 CDL Driver needs to assist with deployments to local and distant service projects. All drivers are required to have a safe driving record and be willing to be orientated on use of the church Vans and Pickup Truck.

Drivers are needed and during this session further details and requirements for drivers will be highlighted as well an open Q & A segment.
