### **Singles of the Park (RightNow Media - Single Today by Ryan Wekenman)**

**Description:** Are you single? Is it ever a struggle? Join the Singles of The Park to have interactive discussions about this and much more. Ryan Wekenman has been an unmarried pastor for over a decade and passionately believes that singleness isn't a curse to endure; it's a gift to enjoy! But let's be honest, it doesn't always feel that way. Single people are often consumed by regrets from the past and fear about the future. Wekenman believes that shame from yesterday and worry about tomorrow are the main reasons why singleness and loneliness rates are both on the rise.

In this series, he talks about being single in this new world, healing from the past and surrendering the future so you can thrive in your season of singleness.

**Schedule:** TBD

**Host:** Singles Ministry. For more information, contact Min. Tonia Gathers at [tgathers@upbc.org](mailto:tgathers@upbc.org).
